

Concludes Executive PG Certification in General Management (Cohort 3)

IIM Ranchi concludes executive PG certification in General Management (Cohort 3)

PNS : Ranchi

IIM Ranchi hosted the valedictory ceremony of the Executive Post Graduate Certification in General Management (Cohort 3), marking the successful culmination of a transformative learning journey for the participants.

The ceremony began with an address by Prof. Shweta Jha, Programme Director, who provided a comprehensive overview of the course

structure. She elaborated on the depth and diversity of topics covered throughout the programme, touching upon areas such as data analytics, statistical methods, managerial economics, marketing, finance, human resources, organizational behaviour, operations, leadership, and strategic management. The curriculum, designed to reflect the dynamic and evolving nature of modern business, equipped professionals with both conceptual knowl-

edge and practical tools. Prof. Jha also extended a warm welcome to the faculty members and staff present and thanked them for their contributions. She congratulated the participants and wished them continued success in their careers, encouraging them to stay connected with the institute, and to continue sharing and learning as part of the IIM Ranchi community.

A participant feedback session followed, where attendees spoke about their

enriching experiences throughout the programme, the value they derived from the sessions, and the friendships and networks they built along the way.

Prof. Anand, Dean - Administration and Faculty-in-Charge, CAO, then addressed the gathering.

Reflecting on the evolution of the executive education landscape at IIM Ranchi, he spoke about the institute's journey from offline-only formats to accessible hybrid

models. He noted how the pandemic accelerated innovation and made quality executive education available Pan-India. Prof. Anand emphasized the institution's ongoing commitment to enhancing the learning experience through continuous feedback and innovation. He commended the cohort for their dedication and enthusiasm, describing them as active contributors to a broader transformation in lifelong learning.
