1		<b>Point 4 (Page 9)</b>	The clause specifies work experience in institutions ranked in the NIRF 2023 or 2025, with different contract value thresholds (80%, 60%, 40%). We request clarification on: What is the estimated total tender value (to help ascertain the contract value thresholds for eligibility)? Can the bidder choose any one year	In page no. 9, under point 4, please read NIRF 2024 in place of NIRF 2025. The estimated tender value is Rs. 27,20,000/-

			(2023 or 2025), or is NIRF 2024 also applicable?	
2		<b>Points 6 &amp; 7 (Page 10)</b>	Kindly confirm whether “last two financial years” refers to FY 2023–24 and FY 2024–25 (since FY 2024–25 is ongoing and unaudited as of now). Towards submission of Income Tax audited accounts statement, Please read last two financial years as 2022-23 & 2023-24.
3		<b>Stage 2 – Point 2 (Page 14)</b>	The marking scheme mentions 5/10/20 marks based on the number of NIRF Top 25 institutions served in the last 2 years. However, the ambiguity lies in whether this includes institutions like IIMs not appearing in NIRF Top 25. The eligibility criteria (Page 9) separately mention experience with "any IIM or reputed business school ranked in NIRF Top 25." Kindly confirm if IIMs are eligible even if not within Top 25 NIRF ranking for that year.	Yes all IIMs and any other institute under NIRF 25 ranking are included
4		<b>Stage 2 – Points 2 &amp; 3</b>	There seems to be inconsistency between the eligibility section and technical evaluation section. Kindly clarify whether institutions like IIMs (regardless of NIRF rank) will be considered valid for scoring in technical evaluation as well	Yes all IIMs and any other institute under NIRF 25 ranking are included
