ABOUT US

The Indian Institute of Management Ranchi (IIM Ranchi), established in 2009, is a globally recognized institution for management education. Renowned for its academic excellence, innovative programs, and impactful research, IIM Ranchi offers a transformative learning experience. Its main campus, located at Prabandhan Nagar, Nayasarai, Ranchi, provides state-of-the-art infrastructure surrounded by a serene and lush green environment, fostering both learning and personal growth. The institute has also expanded its presence with a satellite campus at Hyderabad, exclusively dedicated to executive education. IIM Ranchi continues to shape future global leaders through its world-class education and dynamic learning ecosystem.

PROGRAMME OFFERINGS

MASTER OF BUSINESS ADMINISTRATION (MBA) POSTGRADUATE PROGRAMME IN MANAGEMENT

IIM Ranchi's two-year full-time residential MBA program is designed to develop future global leaders through a dynamic and practical learning experience.

First Year: Students build a strong foundation in core management disciplines, gaining essential business and leadership skills.

Second Year: Students customize their learning by choosing from a diverse range of electives, aligning with their career goals.

Summer Internship: An eight-week summer internship offers hands-on corporate exposure, allowing students to apply their knowledge in real-world business scenarios.

The program combines academic excellence, industry insights, and global perspectives, preparing students to excel in leadership roles worldwide.

MBA IN HUMAN RESOURCE MANAGEMENT (MBA HR)

The MBA HR programme is a full-time residential course designed to create HR professionals with expertise in organizational development, industrial relations, and strategic human resource management. The programme is two years long, divided into six terms.

- **First Year:** Provides a fundamental understanding of core management disciplines, laying the groundwork for specialized learning.
- **Second Year:** Offers elective courses tailored to developing in-depth knowledge of Human Resource Management, Organizational Development, and Industrial Relations across three terms.
- **Summer Internship:** Includes an eight-week internship between the first and second years, offering hands-on experience in HR roles.

Several opportunities are available for students interested in gaining deeper insights into specific analytics topics under faculty supervision.

MBA IN BUSINESS ANALYTICS (MBA BA)

The MBA BA is a full-time residential programme designed to develop expertise in business analytics over two years, divided into six terms.

- **First Year:** Combines foundational management courses with core analytics courses to develop technical and managerial skills in analytics.
- **Second Year:** Focuses on specialized elective courses, offering in-depth knowledge of advanced analytics tools and applications across various domains, spread over three terms.
- **Summer Internship:** Students undertake an eight-week internship, focusing on real-world applications of analytics in industry.

KEY FEATURES

- **Balanced Curriculum:** Combines theory, practical exposure, and experiential learning over six terms in two years.
- **Specialisation Options:** Electives in the second year focus on advanced management, analytics, HRM, and organisational development.
- **Industry Exposure:** Mandatory internships and live projects offer hands-on experience in real-world business challenges.
- **Customised Learning:** Independent study options allow in-depth exploration of specific interests with faculty guidance.
- **Dynamic Learning:** Interactive sessions include industry visits, cultural experiences, and guest lectures by experts.
- **India-Focused Insights:** Emphasizes understanding India's business dynamics, policy frameworks, and market opportunities.

INTERNATIONAL RELATIONS

IIM Ranchi is committed to creating a globally immersive learning environment by internationalizing its campus, curriculum, and academic experiences. Our initiatives expose students and faculty to diverse cultures, perspectives, and ideas, equipping them to excel in a globalized world.

The International Relations Office (IRO) plays a key role in fostering international collaborations, student and faculty exchanges, and cross-cultural engagement. It facilitates meaningful global partnerships, supports bilateral exchange programs, and promotes research collaborations with leading institutions worldwide, enhancing academic excellence and global connectivity.

STUDENT EXCHANGE PROGRAMME

The Student Exchange Programme (STEP) is a transformative initiative that allows students to venture beyond the confines of their home institutions and experience education from an international vantage point. This program facilitates an exchange of students between partner universities, fostering cross-cultural interactions and enriching educational experiences.

During STEP, students have the opportunity to study abroad for a designated term. They engage in coursework, projects, and activities aligned with their academic pursuits, albeit in a different cultural and educational context. Living and studying in a foreign country allows students to immerse themselves in a different way of life, gain insights into local customs, and appreciate the nuances of a different culture. This exposure contributes to personal growth and adaptability.

Students gain exposure to unique academic offerings, specialized courses, and renowned faculty members at the host institution. This exposure can enhance their skill set, broaden their academic interests, and contribute to their overall academic development.

For building global relationships with various international institutes/universities of repute through collaborations and by bilateral exchange of students, IIM Ranchi initiated the process of partnering with foreign business schools in 2014. As of 2023, IIM Ranchi has MoUs with several foreign Institutes/Universities in Finland, France, Greece, Latvia, Russia, South Korea, and Taiwan.

The Student Exchange Programme (STEP) is open for students of graduate and doctoral programmes. We invite international students from our partner institutes to IIM Ranchi to join us for a term.

HOW TO REACH

RANCHI

Campus **Connectivity**

**Khadgara
Bus
Stand**

**Ranchi
Junction**

**Hatia
Railway
Station**

**Birsa
Munda
Airport**

Airport

Birsa Munda International Airport, located approximately 12 km from the IIM Ranchi campus, offers daily flights to major domestic destinations, including Bengaluru, Chennai, Hyderabad, Kolkata, Mumbai, and New Delhi. With strong connectivity to metropolitan hubs, the airport ensures seamless travel for international students. A pre-paid taxi service is available at the airport, with an estimated fare of INR 500 to the campus.

Rail

Connectivity of IIM Ranchi through railways provides quality transport and minimal cost. IM Ranchi is accessible by two nearby railway stations, one of which is Hatia, and the other is Ranchi. The journey from Ranchi Railway Station to IIM Ranchi takes 27 minutes, whereas the trip from Hatia Railway Station takes 24 minutes, which is nearly the same duration from both stations.
