

Criteria for admission into Supernumerary Seats for Foreign Students

For students (foreign passport holders) seeking admission into supernumerary seats reserved for foreign students at IIM Ranchi, the following admission criteria will be followed:

(a) For admission into MBA/MBA-HRM/MBA-BA programmes

Applications will be invited from candidates applying to any or all of the programmes through an application form or through Study in India portal.

Candidates must have 50% or a CGPA of 6/10 or equivalent CGPA in other scales, in their undergraduate degree (or equivalent). CGPA equivalent would be considered if the percentage score or conversion is unavailable. Candidates can apply based on valid GMAT/GRE scores (Test centre scores only). GMAT/GRE scores are currently considered valid for 5 years, and the validity date would be determined based on the last date of application to IIM Ranchi.

After the application deadline, a minimum cut-off score of GMAT/GRE will be set to call candidates for an interview.

After the interview, a final composite score would be prepared based on the following criteria:

- (i) 70% weightage to GMAT/GRE Score
- (ii) 30% weightage to Personal Interview

Candidates will be sent offer for admissions based on their composite score and availability of seats.

GMAT/GRE equivalence would be determined by tool available at <https://www.in.ets.org/gre/bschool-comparison-tool.html>

Applicants would be required to pay a USD 100 application fee (Free through Study in India Portal) to apply to IIM Ranchi.

(b) For admission into IPM Programme

Applications will be invited from candidates applying to any or all of the programmes through an application form or through Study in India portal.

Candidates must have 60% or equivalent in their 12th grade or equivalent examination. Candidates would be able to apply based on valid SAT scores. For application to IIM Ranchi, the candidate must have applied based on SAT scores in an SAT examination that they appeared in within the last 2 years. The validity date would be determined based on the last date of application to IIM Ranchi.

After the application deadline, a minimum cut-off score of SAT will be set to call candidates for an interview.

After the interview, a final composite score would be prepared based on the following criteria:

- (i) 70% weightage to SAT Score
- (ii) 30% weightage to Personal Interview

Candidates will be sent offer for admissions based on their composite score and availability of seats.

Applicants would be required to pay a USD 50 application fee (Free through Study in India Portal) to apply to IIM Ranchi.
