

IIM Ranchi Merit cum Means (McM) Scholarship Scheme

In line with IIM Ranchi's strategic plan and goal to positively impact people, and the society, IIM Ranchi has launched a Merit-cum-Means Scholarship program, under which scholarships will be provided to 25 students every year.

Students in the MBA, MBA-Business Analytics, MBA-Human Resources Management programmes, and Integrated Programme in Management (IPM) at the Institute are eligible for the Merit-cum-Means scholarships. **The value of the Scholarships is around Rs. 1 crore every year.**

The award of the McM scholarships enables meritorious but financially weak students with an opportunity to pursue their education at a leading management institution at minimal costs.

The Merit cum Means Scholarships provided by IIM Ranchi has kept the vision of the Institute's Strategic Plan "IIMRanchi@2030" in mind; to be globally present and locally relevant. In order to ensure that the scholarships reach out to a diverse group of needy but meritorious students, the criteria for award of the scholarship have a parental income cap and excludes students who have availed other scholarships.

Additionally, the scholarship award criteria provide weightage to students who are differently abled (divyangs) or belong to Scheduled Caste (SC) and Scheduled Tribe (ST) categories. It is projected that the detailed and inclusive criteria which have been framed for the award of the scholarships will enable it to cover meritorious students from a wide range of backgrounds at both undergraduate and post-graduate levels of study at the Institute.

All eligible students who are currently studying in the covered programmes in the Institute can apply for the Merit Cum Means Scholarship.

Apart from Scholarships provided by IIM Ranchi, students are encouraged to apply for appropriate scholarships through the Home - National Scholarship Portal (scholarships.gov.in) and any other state government-provided scholarships.

For further information on the Merit Scholarship, please get in touch with Admissions Office, IIM Ranchi at office.admissions@iimranchi.ac.in
