To,
The Director

Scope of Audit

We have Audited the Summer Internship Placement Report prepared by the Indian Institute of Management Ranchi (IIM Ranchi) for the MBA, MBA- HRM & MBA -BA Batches 2025-2027. The preparation of the Report is the Responsibility of the Institute. Our responsibility is to validate the information presented in the report with the relevant documentation and to express an opinion on its conformance with Indian Placement Reporting Standards (IPRS).

Audit Procedure

For the purpose of this Audit, we obtained all necessary information and explanations from the Institute. We did not independently seek information from recruiters or students beyond the documentation made available by the Institute.

The following audit procedures were carried out during the course of audit:

1. Obtained the list of students placed for internship under the MBA, MBA-HRM, and MBA-BA programmes.
2. Verified the supporting documents maintained by the Institute, including:
 - Offer Letters issued by recruiting organizations, and/or
 - Job Descriptions (JD) provided for the respective roles.
3. Examined whether the placement categorization and reporting were made on the basis of the Job Description and/or Offer Letter available on record.

5. The documents were examined on-site in the campus of IIM Ranchi and no copies, duplicates, screenshots, or physical printouts of offer letters, Job descriptions, student contracts, or salary breakdowns were taken out of the premises.
6. We observed zero external data storage. No student-identifiable information or proprietary corporate stipend/package structures were exported or saved on external auditing devices. The entire validation was executed in the presence of the authorized IIM Ranchi Placement Committee coordinators.

Opinion

Based on the audit procedures performed and the records made available for our examination, and subject to the available information provided by the institute up to the date of this report, we are of the opinion that the Placement Report for Summer Internship presents a fair representation of the placement outcomes of the graduating batch 2025-2027.
