This was followed by an address by Shri Praveen Shankar Pandya, Chairman, BoG, IIM Ranchi, and Shri Arjun Munda, Hon'ble Minister of Tribal Affairs, Govt. of India, the Chief Guest.

Shri Pandya, Chairman, BoG said-" I would like to welcome Minister of Tribal Affairs Shri Arjun Mundaji, Shri Aman Poddarji, Director Shailender Ji, our learned faculties and our present BoG, parents, and students. It gives me immense pleasure to be a real-life crusader in Shri Arjun Mundaji, especially from the place which has been his workplace for decades. He has been championing the cause of tribal peoples in India and especially in Jharkhand where the tribal population is highest. You can see that difference his crusade in the upliftment of tribal and I could see as I am a trustee of one Teacher School which is running one thousand schools in tribal areas across India and first school was started in Jharkhand. So, I can see that unless you lift the tribal and villagers as India largely lives in villages and unless this belt is uplifted you won't be doing progress of the country and that has been very well understood by our Prime Minister. Now coming back to the institute, I would start with the Director who roughly joined 5 years ago, at the institute which didn't have its campus, which had minimum faculties and running classes from Suchana Bhawan and students residing at Khelgoan. The task was important because this was the Institute of National Importance which required certain kinds of standards and facilities which need to impart to our students. And I can say that with the support of BoG, the first agenda taken up was to create this infrastructure because students deserved it. So with the relentless effort, we are on the verge of completion of campus. Even our convocation is happening on campus which shows we can complete it soon. NIRF ranking of the institute has improved and I am sure that next year we would be in the top 10 institutes. I would like to thank the faculties who are imparting knowledge to the students because they are the base. Our

Shri Arjun Munda, Hon'ble Minister of Tribal Affairs, Govt. of India, the Chief Guest congratulated the 'business leaders of tomorrow' at the 10th convocation at IIM Ranchi asking them to use their zeal to empower innovative ideas for the social standing as he believes it is the duty of the students at one of the premier institutes such as IIM Ranchi. He concluded by adding that "The government body led by the Prime Minister applauds and encourages the student by promoting the welfare of such students by providing them a strong platform so that students can have the opportunity to join such innovative courses.". He visions to impart his wisdom and educational facilities to every region in Jharkhand and wishes that the legacy continues in the upcoming years.
