

IIM-Ranchi student gets 65 L as highest CTC offer

PNS : RANCHI

After the successful completion of final and summer placements for the session 2022-23, Indian Institute of Management (IIM) Ranchi has come out with the placement

statistics for the 2021-23 cohort. There are 398 students in the MBA Programme (2021-23), whereas 69 and 35 students respectively, have studied in the programmes of MBA HR and MBA Business Analytics. The students have received job offers from 140 recruiters for highly sought-after positions. The highest participation is seen from the recruiters of the BFSI sector (15.3%), closely followed by those from Consulting (14.6%), FMCG (13.9%) and IT/ITES (13.2%).

The highest CTC for the MBA Programme is 65.00 Lacs per annum, offered for international assignments, while the mean and median CTC are at 17.34 Lacs per annum and 16.50 Lacs per annum respectively. The average of the top 10 percentile of offers is 29.77 LPA, while the average of top 25 percentile of offers is 23.83 LPA.

The strength of the MBA 21-23 Batch is 398. The mean and median of the offers for MBA Batch, when normalized to top 250 students, are 19.37 LPA and 18.00 LPA. The average of top 10 and 25 percentiles of offers thus calculated are 33.61 LPA and 26.21 LPA.

The mean and median CTC for the MBA HR batch are 16.28 LPA and 16.00 LPA, respectively, while the highest CTC is 32.21 PA. The average of offers for the top 10 percentile stands at 26.17 LPA, while the average of offers in the top 25 percentile is 22.66 Lacs annually. The highest, mean and median CTC for the MBA BA batch is 22.32 LPA, 16.42 LPA and 16.00 LPA respectively. The average of the top 10 percentile and 25 percentile of offers are 21.65 LPA and 20.27 LPA respectively.
